GROVESTEEEN & CO.,
PIANO-FORTE MANUFACTURERS,
 499 BROADWAY, NEW YORK.

The attention of the public and the trade is invited to our NEW SCALE SEVEN OCTAVE ROSEWOOD PIANO-FORTES, which for volume and purity of tone are unrivalled by any hitherto offered in this market. They contain all the modern improvements, French, grand action, harp pedal, iron frame, over-strung bass, etc., and each instrument being made under the personal supervision of Mr. J. H. GROVESTEEEN, who has had a practical experience of over thirty years in their manufacture, is fully warranted in every particular.

THE "GROVESTEEEN PIANO-FORTE" received the highest award of merit over all others at the Celebrated World's Fair, where were exhibited instruments from the best makers in London, Paris, Germany, Philadelphia, Baltimore, Boston and New York; and also at the American Institute for five successive years, the gold and silver medals from both of which can be seen at our warehouses.

By the introduction of improvements we make a still more perfect Piano-Forte, and by manufacturing largely, with a strictly cash system, are enabled to offer these instruments at a price which will preclude all competition.

(ESTABLISHED 1846.)

Are the oldest manufacturers of Improved Reed Instruments in the United States, and are the inventors and patentees of the essential improvements made in this class of instruments up to the present date.

During this period they have manufactured a vast number of instruments of all styles; and wherever they have been exhibited in competition with the instruments of other makers, they have invariably taken the highest premium.

At the last
